

TECHNICAL DATA SHEET

Rust Remover H2 (Food Spray)

Physiologically safe and environmentally friendly 2-in-1, water-based rust remover with long-term rust protection. The pH-neutral formulation gently removes stubborn rust on surfaces and parts.

ECO features

- ✓ Free from microplastics
- ✓ Free from fluorine compounds
- ✓ Free from n-hexane
- ✓ NSF H2 registered

Properties

- ✓ Long-term protection due to lubricating ingredients
- ✓ Removes rust chemically without acids (pH-neutral)
- ✓ Eco-friendly formulation (water-based)
- ✓ Releases even extremely stubborn connections after long exposure

Application area

- ✓ For severely rusted steel and iron, for example lawnmowers, garden tools, hinges, screws, nuts
- ✓ Surfaces made of steel and iron, for example gates and fences, bicycle spokes, rusty car and caravan parts

Instructions

Shake can well before use. Spray on evenly from a distance of approx. 20 cm. Leave to soak in. The treated areas can be repainted immediately without further pretreatment. Application time and repetitions vary depending on the degree of corrosion: Light rust and rust film take just a few minutes. In case of extreme and persistent corrosion, 2–3 repetitions with one hour application time each.

Colour	Colourless
Odor	Characteristic
Density 20 °C	0,982 g/cm ³
PH Value	4-5
