

Angle Grinder
230mm-2400W

3241

- Professional Heavy-duty 2400W powerful motor enables high performance
- 3 positions anti-shock ergonomic side handle that minimizes vibration and reduces fatigue during long time working
- Direct airflow system which cools the motor for more reliable performance and higher overload capabilities
- Anti-dust ball bearings which ensure long lifetime of the motor and make it work more smoothly
- Easy and fast carbon brush changing mechanism
- New locking pin system for easy and fast disc changing and safety mechanism
- Anti-dust switch which reduces dust penetration, especially in masonry working conditions
- Equipped with 4-meter cable for more convenient usage
